### **Mulberry - Old World Classics**

It would be a great book for anyone in the process of building a house or watching houses being built in their neighborhood. My 2 year old sons are really starting to associate the similarities between this book and some of the construction sites we visit. While Barton's pictures are simple, there is enough detail to expand beyond the written text.

### **Building a House (Mulberry Books), Byron Barton Byron ...**

You could almost, watching, do it yourself—by carefully noting the steps depicted in each bright, brisk, clearly delineated picture. There's a strategy here: of breaking down the process of building a frame, Cape Cod-type house into distinct, visually-related steps ("A cement mixer pours cement"; "Bricklayers lay large white blocks"); of keeping the verbal information to a minimum, and ...
